

MILLIONAIRESS CONFESSIONS

Jesus is the author and the finisher of my faith.

I'm a generous giver and therefore a generous receiver.

I give compliments daily.

I possess the fruit of the spirit – I'm loving, kind, and respectful.

I am a winner, not a loser. I win big in everything that I do.

I will not allow others to control my emotions negatively.

I allow the Word to define me, not the world- I am secure in my identity.

I am an anointed wife, mother, sister, friend and teacher.

I influence my husband, children, family and friends to move towards greatness.

I am beautiful, smart, kind, and confident about who I am and where I am going.

I possess the spirit of success.

I am emotionally, mentally and physically strong.

I dominate every situation and circumstance that I face.

I am financially intelligent.

I will continue to expand my circle of influence.

I always pay my tithes and offering first and myself second. I am a generous giver.

I am a money magnet. I am out of debt. My needs are met, and I have plenty more to put in store.

Every year my net worth (real estate, stocks, bonds, gold, silver, oil and other investments) increases by 100%.

I have mentors for every area in my life that affects my success.

People love me, and go out of their way to help me and bless me.

I surround myself with people of like mind.

I am a Millionairess.
